Due to the time constraints and the creditor's desire to submit her claim to your esteemed office within the legal deadline, the claimant sent an email to you on 10/01/2025, attaching the accounting report, which includes the amounts executed and outstanding against the debtor until 31/01/2023. Environment Agency – Abu Dhabi (EAD) has recovered more than 2,000 tonnes of bottles since the launch of the Bottle Return Scheme in 2023. Following the launch of the scheme, Environment Agency – Abu Dhabi (EAD), along with Sparklo, EAD's strategic oversight and cleantech leader, also collected 23 million recyclables in 2024.
