UAE, Turkish Presidents discuss regional developments in phone call

ABU DHABI / WAM

UAE President His Highness Sheikh Mohamed bin Zayed Al Nahyan today received a phone call from His Excellency Recep Tayyip Erdoğan, President of the Republic of Türkiye.

The two leaders discussed ongoing cooperation and joint efforts across various fields, and reviewed a number of regional and international issues of common concern, particularly the evolving situation in the Middle East.

Discussing the implications of the Israeli military strikes against the Islamic Republic of Iran, the two sides stressed the need to intensify efforts aimed at de-escalating tensions, promoting dialogue, and resolving disputes through diplomatic means. These measures, they noted, are vital in order to spare the region further crises and uphold regional peace and stability.

Both leaders reaffirmed their countries' support for all efforts aimed at promoting peace and ensuring security and stability for the peoples of the region.

Mubadala, ADPIC sign pact to explore strategic collaborations

The partnership is set to drive forward-thinking solutions and project planning across Abu Dhabi's infrastructure landscape

ABU DHABI / WAM

Mubadala Investment Company PJSC (Mubadala), an Abu Dhabi sovereign investor, and the Abu Dhabi Projects and Infrastructure Centre (ADPIC) have signed a partnership agreement to foster collaborations in various areas which features a comprehensive framework for cooperation between the two organisations, aimed at advancing infrastructure initiatives crucial to Abu Dhabi's development as a leading destination of choice.

These include comprehensive feasibility studies, knowledge sharing, and assessments to evaluate the viability for proposed projects, as well as sharing insights to develop sustainable financing models.

The agreement was signed on the first day of Abu Dhabi Infrastructure Summit (ADIS) 2025, in the presence of Maysarah Mahmoud Eid, Director-General, ADPIC and Khalifa Al Romaithi, Executive Director of UAE Real Estate at Mubadala's UAE Investments Platform.

Commenting on the collaboration, Maysarah Mahmoud Eid said, "Through our collaboration with Mubadala, we are dedicated to pioneering sustainable, high-quality projects that will promote economic growth and create lasting infrastructure developments that meet the Emirate's needs while contributing to its prosperity."

Khalifa Al Romaithi said, "Our

partnership with ADPIC is centred around spearheading future focused state-of-the-art infrastructure projects in Abu Dhabi. This collaboration is a testament to Mubadala and ADPIC's commitment to support Abu Dhabi Government ambitions in making the emirate one of the world's most liveable and economically resilient cities."

The partnership between Mubadala and ADPIC is set to drive forward-thinking solutions and comprehensive project planning across Abu Dhabi's infrastructure landscape, reflecting a robust commitment

to future-proofing the emirate's growth and solidifying its position as a dynamic hub for investment and development.

The Abu Dhabi Infrastructure Summit, hosted by ADPIC, is a strategic platform that convenes global leaders, investors, and industry experts to explore innovation, investment, and sustainability in infrastructure. The summit supports Abu Dhabi's long-term vision by fostering collaboration and showcasing opportunities that will shape the emirate's future-ready, resilient built environment.

ICP activates business continuity plan for smooth passenger flow at airports

- The ICP clarified that its approved emergency business continuity plan was immediately activated when these events unfolded
- To maintain peak readiness and immediate responsiveness, the Authority has bolstered airport field teams with qualified personnel and robust operational capabilities, available 24/7

ABU DHABI / WAM

The Federal Authority for Identity, Citizenship, Customs, and Port Security (ICP) has confirmed it has taken all necessary steps to guarantee continuous airport operations across the UAE. This includes close coordination with all operational entities to address the fallout from recent regional and political developments that led to airspace closures in certain countries. The primary goal is to ensure the safety and smooth movement of passengers without compromising service quality.

The ICP clarified that its approved emergency business continuity plan was immediately activated when these events unfolded. This ensures

operational flexibility and minimises potential disruptions to travel, especially given the airspace closures by some nations.

The plan encompassed precise operational and regulatory procedures, executed in collaboration with strategic partners.

DoH, Boehringer Ingelheim ink strategic partnership

The strategic partnership aims to advance scientific research and innovation, foster groundbreaking research and development

ABU DHABI / WAM

The Department of Health - Abu Dhabi (DoH) signed a Memorandum of Understanding with Boehringer Ingelheim, one of the world's leading research-driven pharmaceutical companies.

This strategic partnership aims to advance scientific research and innovation, foster groundbreaking research and development, and cultivate an environment of scientific excellence, further cementing the emirate as the MENA region's premier hub for healthcare, life sciences, and innovation.

In the presence of Dr Noura Khamis Al Ghaithi, Undersecretary of the Department of Health - Abu Dhabi and Ousama Alhaj, General Manager and Head of Human Pharma, Near East and UAE at BI, the agreement was signed during BIO International Convention in Boston at the Abu Dhabi Pavilion by Dr Asma Al Mannaei, the Executive Director of the Health Life Sciences Sector at the DoH and Ghaleb Al Ahdab, Head of Public and Government Affairs, Near East and UAE at BI. Through this strategic partnership, the two parties seek to strengthen the Emirate's research ecosystem by facilitating access to and harnessing the capabilities of Boehringer Ingelheim's OpnME platform.

Researchers, scientists, and innovators across Abu Dhabi will be able to leverage the platform's cutting-edge data and resources to address critical biological challenges and accelerate scientific discovery.

Through four flagship programmes, Molecule to Order (M2O), Molecule for Collaboration (M4C), opn2EXPERTS (o2e) and opnTALENTS (o25), the platform empowers the

research community with access to advanced compounds, collaborative opportunities, expert networks, and support for emerging talent. OpnME connects visionary researchers to champion transformative, research-driven medical innovation for generations to come.

Dr Asma Al Mannaei said, "Our partnership with Boehringer Ingelheim reflects our commitment to pioneering innovation and scientific research as part of our efforts to advance health outcomes and improve the quality of life for communities around the world."

UAE highlights leadership in 'Global Cooling Pledge' ahead of COP30

BONN / WAM

The United Arab Emirates (UAE) participated in first Global Cooling Pledge Signatories Focal Points Meeting, held in Bonn, Germany.

During the meeting, the UAE highlighted its efforts in the cooling sector and the integration of cooling within its national energy efficiency plans, as well as the latest developments in the Global Cooling Commitment, which the UAE co-chairs in partnership with Brazil in preparation for COP30.

This commitment was launched

during the United Nations Climate Change Conference (COP28) by the UAE Presidency, in partnership with the UN Environment Programme's Cool Coalition, with the aim of translating global commitments into practical actions on the ground.

Within a period not exceeding 18 months, the commitment has seen remarkable expansion with the addition of 72 countries and more than 80 partners, highlighting the international community's ability to act swiftly when cooling is viewed as a frontline defence against climate change.
