THE increase in non-oil foreign trade volume underscores strength of Abu Dhabi's economic diversification strategies

Abu Dhabi's non-oil foreign trade grew 34.7% in H1 2025

The growth reflects the resilience and dynamism of UAE capital's economy, supported by the efficiency of its infrastructure and the logistics services

ABU DHABI/ WAM

The Abu Dhabi's non-oil foreign trade continued its growth trajectory, recording a strong performance during the first half of current year (From January to June 2025), soaring 34.7% to AED195.4 billion compared to AED145 billion during the corresponding period in 2024, according to statistics released Today by Abu Dhabi Customs.

This growth reflects the resilience and dynamism of Abu Dhabi's economy, supported by the efficiency of its infrastructure and the advancement of logistics services, which have helped facilitate trade flows and enhance the smooth movement of goods through border crossings. During the first six months of 2025, the Abu Dhabi's non-oil exports grew by 64%, reaching AED78.5 billion, up from AED47.9 billion in H1-2024. Imports rose by 15% to AED80 billion, compared to AED70 billion. Meanwhile, re-exports registered a 35% increase, surpassing AED36 billion, compared to AED26.6 billion in the first half of 2024.

The increase in non-oil foreign trade volume underscores the strength of Abu Dhabi's economic diversification strategies, forward-looking policies, and significant investments across key sectors. These efforts collectively support the emirate's drive to strengthen its position as a leading regional and global trade and logistics hub.

Ahmed Jasim Al Zaabi,

We are doubling down our efforts to position Abu Dhabi among the world's most business-ready economies by streamlining trade procedures, deploying smart systems, and integrating services to enhance flow and accelerate efficiency, cementing Abu Dhabi's position as global trade and investment centre

Ahmed Jasim Al Zaabi,
Chairman of the Abu Dhabi Department of Economic Development (ADDED)

Chairman of the Abu Dhabi Department of Economic Development (ADDED), said, "Abu Dhabi's non-oil foreign trade steady performance in H1-2025 reaffirms our position as a global economic powerhouse, bridging East and West, North and South. Our consistent growth, amid the challenges in the international trade and global economy, reflects the strengths of our long-term economic planning, decisive policy execution, and our commitment to enabling fair and free exchange of goods, services, and innovations".

Al Zaabi added, "We are doubling down our efforts to position Abu Dhabi among the world's most business-ready economies by streamlining trade procedures, deploying smart systems, and integrating services to enhance flow and accelerate efficiency, cementing Abu Dhabi's position as global trade and investment centre and a key node on international supply chains."

Rashed Lahej Al Mansoori, Director-General of Abu Dhabi Customs, said, "The growth in non-oil foreign trade during the first half of 2025 reflects the success of Abu Dhabi's economic strategies, and highlights the effectiveness of efforts made by Abu Dhabi Customs, in collaboration with strategic partners, to facilitate trade."

UAE delivers 65 tonnes of medical supplies to Gaza in cooperation with WHO

GAZA/ WAM

As part of its ongoing humanitarian efforts and in coordination with the World Health Organisation (WHO), the UAE has delivered a new batch of essential medicines and medical supplies to WHO warehouses, in preparation for distribution to hospitals across the Gaza Strip.

This support comes amid a severe collapse of the healthcare system caused by the ongoing blockade.

The shipment, handed over on Sunday, includes 11 trucks carrying approximately 65 tonnes of various medicines. Among them are life-saving medicines and urgent medical supplies designed to address the immediate needs of healthcare facilities operating in the Strip.

WHO representatives praised the UAE as one of the most prominent supporters of Gaza's healthcare sector. They emphasised the importance of bolstering international efforts to deliver urgent relief to the Strip.

The UAE shipment includes 11 trucks carrying approximately 65 tonnes of various medicines. Among them are life-saving medicines and urgent medical supplies designed to address the immediate needs of healthcare facilities operating in the Strip

The organisation highlighted that the aid will directly contribute to easing the acute medicine shortage and enhancing the capacity of hospitals and healthcare centres to respond to the escalating medical needs.

The UAE continues to provide multi-sectoral support to Gaza, including in food, shelter, education, and healthcare, under the framework of Operation Chivalrous Knight 3, reaffirming its steadfast humanitarian commitment to the Palestinian people.

ADAFSA receives world's first AI certification in agri sector

The UAE continues to lead globally in adopting artificial intelligence and the latest smart technologies across various sectors

DUBAI/ WAM

In a groundbreaking achievement, the Abu Dhabi Agriculture and Food Safety Authority (ADAFSA) has been awarded the ISO 42001:2023 international certification for Artificial Intelligence Management Systems.

This marks the world's first such certification within the agriculture and food security sector, and the first at the government level in the UAE. The milestone reinforces the nation's regional and global leadership and reflects its commitment to adopting and advancing international best practices and standards.

The certification encompasses the application of advanced AI technologies, such as intelligent analytics and machine learning algorithms to enhance the efficiency of agricultural operations and food safety services delivered by ADAFSA. It underscores the Authority's dedication to managing AI technologies responsibly and effectively, in alignment with the UAE's digital transformation and sustainable development goals.

Omar Sultan Al Olama, Minister of State for Artificial Intelligence, Digital Economy, and Remote Work Applications, affirmed that under the guidance of its leadership, the United Arab Emirates plays a pioneering role in the development and adoption of global standards for responsible artificial intelligence.

UAE President issues federal decree-law establishing National Anti-Narcotics Authority; appoints Zayed bin Hamad bin Hamdan Al Nahyan as Chairman

ABU DHABI / WAM

UAE President His Highness Sheikh Mohamed bin Zayed Al Nahyan, has issued a federal decree-law establishing the National Anti-Narcotics Authority and appointed Sheikh Zayed bin Hamad bin Hamdan Al Nahyan as its Chairman.

This step aims to strengthen the national ecosystem for combating narcotics, and unify the federal and local effort in this regard, to ensure the safety of the UAE community and its members.

The new Authority — established to replace the General Department of Anti-Narcotics in the Ministry of Interior — is an independent federal

entity affiliated to the UAE Cabinet. The authority is tasked with formulating and implementing policies, legislation, and strategies to combat narcotics, as well as tracking and dismantling smuggling and distribution networks in coordination with relevant authorities at both federal and local levels.

The National Anti-Narcotics Authority will undertake a comprehensive set of vital mandates, reflecting the UAE's strategic vision to bolster community security, combat various drug-related crimes, and ensure an effective legislative and operational environment to curb this phenomenon. A key mandate includes tackling drug trafficking by tracking and dis-

mantling smuggling and distribution networks, coordinating with security and judicial authorities to ensure offenders are brought to justice in accordance with the nation's laws.

The Authority will also focus on developing and refining public policies, legislation, and strategies related to combating narcotics and the emerging crime patterns associated with them. It will establish the necessary legislative and regulatory frameworks, submitting them to the Cabinet for approval, ensuring alignment with international best practices and addressing the evolving challenges in this field.

IN Dubai rental market, 465,738 lease contracts were registered during H1 2025

24 real estate projects worth AED4.5b completed in H1: DLD

The momentum is part of a wider growth trajectory, with 726 projects currently under construction across the emirate

DUBAI / WAM

Dubai's real estate sector continues to strengthen its position as one of the key pillars of the emirate's economic growth, recording steady performance and results that reflect the market's resilience and diversity of investment opportunities.

According to data from the Dubai Land Department (DLD), the first half of 2025 saw the completion of 24 real estate projects valued at AED4.5 billion.

This momentum is part of a wider growth trajectory, with 726 projects currently under construction across the emirate, underscoring sustained demand from both developers and investors. The surge in ongoing development also indicates the accelerated pace of project delivery to meet rising demand for standalone units and integrated residential communities.

Dubai's real estate market registered 90,337 new real estate units during the first half of the year, serving as a clear indicator of the sector's sustained growth. This also reflects developers' responsiveness to market needs, particularly amid rising demand for ready-to-move and sustainable projects that offer comprehensive living spaces.

momentum in residential property transactions, supported by investors' confidence in the market's long-term prospects. Keeping with this trend, villa sales demonstrated strong performance, with 7,167 villas sold for over AED28 billion, reflecting a considered shift in buyer preferences toward standalone units and fully integrated residential communities.

In the rental market,

465,738 lease contracts were registered during H1 2025, a slight increase from 462,657 in the same period of 2024, representing a rise of under 1%. This indicates a stable and steady sector, supported by government initiatives and programmes aimed at encouraging residents to transition from renting to home-ownership and enhancing family and social stability in the emirate.

Through its strategic initiatives and advanced digital efforts, DLD continues to develop an integrated real estate ecosystem that meets the aspirations of both individuals and investors

The total value of lease contracts reached approximately AED42 billion in H1 2025, reflecting a 5% increase compared to the same period in 2024. New lease contracts saw a 7% rise, reaching 232,928, up from 217,101 in the same period last year.

The figures reaffirm Dubai's leading position in the regional and global real estate sector and highlight the effectiveness of the Dubai Land Department's regulatory policies and frameworks aimed at stimulating investment, enhancing transparency, and empowering all segments of society to own property within a stable and attractive environment.

Through its strategic initiatives and advanced digital efforts, DLD continues to develop an integrated real estate ecosystem that meets the aspirations of both individuals and investors. These efforts support the objectives of the Dubai Real Estate Strategy 2033 to position the emirate as the world's best city for quality of life and real estate investment.

Sharjah to host 14th IGCF on 10–11 September 2025

Organised by the Sharjah Government Media Bureau (SGMB), the IGCF will explore the evolving role of communication in driving impact across five vital areas: food security, public health, education, environmental sustainability, and the green economy, all essential pillars for enhancing human well-being —WAM

SHARJAH / WAM

Sharjah is set to host the 14th edition of the International Government Communication Forum (IGCF) on September 10–11, 2025, under the theme "Communication for Quality of Life."

The forum will take place at Expo Centre Sharjah, featuring over 22 interactive platforms designed to position communication as a cornerstone in addressing future societal challenges. Organised by the Sharjah Government Media Bureau (SGMB), this global platform will explore the evolving role of communication in driving impact across five vital areas: food security, public health, education,

environmental sustainability, and the green economy, all essential pillars for enhancing human well-being.

This year's edition will place particular focus on food security as a key pillar of social and economic stability. It will examine how government communication can help raise awareness around sustainable food systems, promote smart agricultural practices, and support biodiversity conservation.

According to UN reports, more than 670 million people could face undernourishment by 2030, with 258 million already experiencing severe food insecurity.

ernment free of unnecessary complexity, with faster, simpler, and more effective services that enhance quality of life and boost institutional efficiency.

The first package launched by the Ministry during this phase included licensing and accreditation services for healthcare professionals and facilities, which underwent a comprehensive redesign, cutting the number of services from 32 to just 16.

The overhaul has significantly reduced processing times, improved operational efficiency, and strengthened alignment with the programme's overall objectives.

As part of the second phase, the Ministry adopted a clear, human-centric roadmap that places customer experience at its core.
