Abu Dhabi DoE launches Energy Efficiency Accelerators initiative

ABU DHABI / AD MEDIA OFFICE

The Abu Dhabi Department of Energy (DoE) has launched the Energy Efficiency Accelerators in the Industrial Sector initiative, aiming to enable 100 establishments in the emirate's industrial sector. The programme will help companies improve their energy and water usage, boosting their contribution towards the objectives of the UAE Net Zero 2050 Strategic Initiative.

Launched as part of the Abu Dhabi Energy and Water Efficiency Strategy

A key focus of the initiative is on several major industrial fields, including construction materials, food and beverages, metals, paper industries, rubber and plastics, and the chemical and pharmaceutical industries

—AD MEDIA OFFICE

2030, the initiative seeks to achieve optimal factory performance. This is done by providing a specialised

technical evaluation that helps to identify chances for reducing operational costs and minimising envi-

ronmental effects, without imposing any financial burden on the facilities.

His Excellency Engineer Ahmed Al Falasi, Energy Efficiency Sector Executive Director at DoE, said: "The Energy Efficiency Accelerators in the Industrial Sector initiative is a key milestone in our drive to establish sustainability in the sphere of industrial operations.

"The initiative is not simply a technical assessment, but a strategic instrument that facilitates the transition to sustainability.

tory, featuring an extensive programme of activities across 15 diverse sectors.

The event blends heritage, culture, and innovation under the theme "A Heritage Renewed", offering a unique cultural experience.

"The auction included the

sale of young male and female camels from the finest breeds, known for their outstanding racing abilities. Each camel is distinguished by its lineage and the achievements of its sire and dam, which are essential factors in determining its value," organisers said.
