AD Ports leverages integrated logistics network to ensure trade resilience

ABU DHABI / WAM

AD Ports Group has successfully drawn on its diversified logistics capabilities to strengthen local and regional supply chains in the Gulf region, ensuring continued resilience.

Since the onset of the recent regional developments at the end of February, the Group has continued to operate as normal, serving the needs of its global clients by establishing alternative routes and rerouting cargo across land, rail, sea, and air to mitigate supply chain disruptions affecting Arabian Gulf ports, in light of

“ Our long-term investments in a diversified and comprehensive network of logistics and trade infrastructure have enabled one of the UAE's largest-ever logistics redeployments to be executed with speed, agility and efficiency

Captain Mohamed Juma Al Shamisi,
Managing Director and Group CEO of AD Ports Group

the traffic conditions through the Strait of Hormuz.

To date, AD Ports Group handled over 54,000 TEUs at Fujairah Terminals and Khor Fakkan Port, and successfully transported over 22,000 containers through its land logistics services, alongside 18,000 TEUs across its maritime network, supported by a dedicated fleet of 24 vessels operating 8 feeder services. In addition, the Group has transported more than 8,000 tonnes of cargo through its air logistics services, enabled by more than 100 chartered flights.

Tawazun to strengthen global presence, deepens strategic partnerships at Defence Services Asia in Malaysia

ABU DHABI / WAM

Tawazun Council for Defence Enablement is participating in the Defence Services Asia (DSA) exhibition, held from 20th to 23rd April 2026 in the Malaysian capital Kuala Lumpur, as part of the UAE national pavilion. The move reflects the council's strategic drive to expand its international footprint and further integrate the UAE's defence industrial ecosystem into global markets.

The exhibition is among Asia's leading defence and security events, offering a key platform

to engage with decision-makers and explore industrial and technological collaboration opportunities. It also provides a gateway for UAE-based companies to broaden their international reach and access new markets.

The Council's delegation is led by Dr. Nasser Humaid Al Nuaimi, Secretary-General of Tawazun Council for Defence Enablement, and includes representatives from several key directorates responsible for advancing national capabilities, notably Industry Development, as well as industrial innovation and artificial intelligence.

ADIB becomes UAE's first bank to operate as TPP

The milestone marks a significant step in bank's transformation journey and 2035 vision to build the bank of the future

ABU DHABI / WAM

Abu Dhabi Islamic Bank (ADIB) has become the first bank in the UAE to be licensed as a Third Party Provider (TPP) or Open Finance Provider under the UAE Central Bank Open Finance AlTareq initiative.

This milestone marks a significant step in ADIB's transformation journey and 2035 vision to build the bank of the future.

The TPP license enables ADIB to securely aggregate customer permissioned account data from other banks, giving customers a consolidated view of their finances through a single, trusted ADIB interface. Built on explicit customer consent and strong data protection stan-

As a licensed TPP, ADIB can enhance its digital channels by enabling customers to view and manage accounts held with other banks —WAM

The TPP license enables ADIB to securely aggregate customer permissioned account data from other banks, giving customers a consolidated view of their finances through a single, trusted ADIB interface

safeguarding information in line with the Central Bank of the UAE's regulatory standards.

This includes enabling secure data sharing through approved APIs,

strictly governed by customer consent, strong authentication and robust data protection controls.

UAE ranks among leading global AI hubs in AI Index 2026

ABU DHABI / WAM

The United Arab Emirates (UAE) has been recognised as a leading global hub in artificial intelligence (AI), according to the AI Index Report 2026 issued by Stanford University's Institute for Human-Centered Artificial Intelligence (HAI).

The report highlighted that the UAE ranks among the top countries in institutional support for AI strategy, awareness, and governance, noting its strong performance across global benchmarks in skills, jobs, adoption, and talent.

It stated that the UAE demonstrates high levels of AI adoption exceeding expectations relative to GDP per capita, alongside Singapore, and is consistently ranked globally in AI capabilities.
