Dubai's dnata earmarks A\$32m for cargo facility at Western Sydney International Airport

SYDNEY / WAM

dnata, a leading global air and travel services provider, will invest approximately A\$32 million to establish a dedicated cargo terminal operation at Western Sydney International (Nancy-Bird Walton) Airport (WSI), reinforcing its long-term commitment to the New South Wales market and Australia's aviation industry.

dnata will operate from a 5,000 sqm warehouse facility within WSI's 24-hour Cargo Precinct, supported by an additional 4,000 sqm of surrounding land. The airport will deliver the site as a cold shell, with dnata undertaking a full operational fit-out of the terminal, including critical infrastructure and the installation of a semi-motorised materials handling system.

Approximately A\$6 million of the investment will be allocated to specialised equipment and technology to ensure scalable, efficient and future-ready cargo operations, including capabilities to support specialised cargo such as pharmaceuticals and other time- and temperature-sensitive shipments.

Freighter operations are scheduled to commence in July 2026, ahead of the airport's full passenger opening later this year.

FAB continues to align its strategy with national climate priorities

First Abu Dhabi Bank unveils net-zero transition plan in 2026

The report outlined FAB's approach to measuring, managing and reducing climate and nature-related impacts across its operations

ABU DHABI / WAM

First Abu Dhabi Bank (FAB) has released its 2026 Transition Pathways Update. On Earth Day 2026, the report highlighted that FAB's sustainable and transition finance activities contributed to nearly 4 million tonnes of CO₂ of avoided emissions in 2025. It also outlined continued progress in advancing the bank's sustainability agenda and the progress of its Net Zero Transition Plan, reinforcing FAB's commitment to playing a leading role in the global shift to a low-carbon economy.

FAB continues to align its strategy with national climate priorities, embedding sustainability across its business model, risk framework, and client engagement approach. At the core of the plan are four pillars: Client Engagement and Sectoral pathways, Climate Risk Management and Portfolio Steering, Operational Decarbonisation and Sustainable Finance Mobilisation.

The report outlined FAB's approach to measuring, managing and reducing climate and nature-related impacts across its operations and financing portfolio. It also demonstrated how the bank is translating its net zero and nature-positive commitments into tangible,

FAB remained on track against its 2030 pathways across eight high-emitting sectors, supported by improved client disclosures and early transition actions

- FAB reduced Scope 1 and 2 emissions intensity per FTE by 35 percent since 2019. This has been driven by energy-efficiency initiatives, increased use of cleaner grid electricity, and the integration of clean energy certificates across key locations

- The bank introduced a bespoke transition maturity assessment and escalation framework, enabling more targeted, risk-based engagement with high-emitting clients

measurable actions.

FAB reduced Scope 1 and 2 emissions intensity per FTE by 35 percent since 2019. This has been driven by energy-efficiency initiatives, increased use of cleaner grid electricity, and the integration of clean energy certificates across key

locations. A formal net-zero action plan has been established to deliver the Group's 2030 operational decarbonisation targets. The bank introduced a bespoke transition maturity assessment and escalation framework, enabling more targeted, risk-based engage-

ment with high-emitting clients.

Coverage under this framework is being progressively expanded, with the number of assessed clients expected to double between 2024 and 2025.

FAB remained on track against its 2030 pathways across eight high-emitting sectors, supported by improved client disclosures and early transition actions.

The bank's financed-emissions pathways have been re-baselined to 2023 from 2021, strengthening credibility and alignment with the current portfolio while reinforcing the bank's medium-term decarbonisation trajectory.

Additionally, FAB mobilised AED114.4 billion in sustainable and transition finance in 2025, directed toward climate mitigation solutions such as renewable energy, energy efficiency, green buildings and clean transport, as well as climate adaptation initiatives.

The bank showed strong progress towards its AED500 billion sustainable and transition finance target: Since 2022, FAB has facilitated AED381 billion in sustainable and transition finance, achieving 76 percent of its AED500 billion 2030 target.

Dubai Culture Enriches 'DIFC Art Nights' with Inspiring Cultural and Creative Experiences

DUBAI / GULF TIME

Dubai Culture and Arts Authority (Dubai Culture) has announced its participation in the 21st edition of 'DIFC Art Nights', organised by Dubai International Financial Centre (DIFC), a key cultural and lifestyle hub in Dubai, from 23 to 26 April at Gate Village. The event aims to support both emerging and established artists from the UAE and abroad by providing them with a platform to express and showcase their work to diverse audiences.

This participation aligns with Dubai Culture's role in empowering the cultural and artistic sector, through the development of distinctive programmes and initiatives that contribute to strengthening homegrown arts and reinforcing Dubai's position as a global centre for culture, and an incubator for creativity.

The 'DIFC Art Nights' programme, held in strategic partnership with Dubai Culture, will feature a broad range of live performances, installations, creative and recreational workshops, and cultural discussions. These offerings will provide audiences with the opportunity to engage directly with art within a dynamic, interactive environment.

As part of its efforts to promote the

31st edition of the International Symposium on Electronic and Emerging Art (ISEA2026), which Dubai will host this November, Dubai Culture will organise a panel discussion on 23 April. The session will reinforce the significance of the event, held under the theme 'Elyah: Connecting Place, Data, and Identity', and will bring together artists, designers, academics, technologists, curators, and museum professionals from around the world to explore the intersections of art, science, and technology, and to examine the future of digital art.

Abu Dhabi authorities inspect 480 schools, nurseries

It aimed to assess preparedness levels and strengthen safety and prevention standards across educational institutions

ABU DHABI / WAM

Abu Dhabi authorities have conducted inspections of more than 480 schools and nurseries to assess emergency preparedness and strengthen safety standards across the education sector.

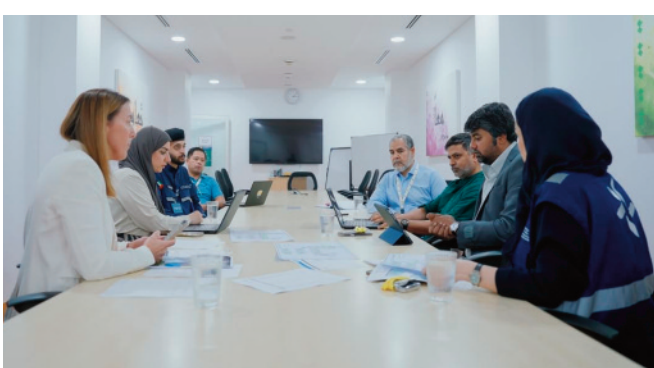

The initiative was implemented through coordinated efforts between the Emergencies, Crises and Disasters Management Centre Abu Dhabi (ADCMC), the Abu Dhabi Department of Education and Knowledge (ADEK), and the Abu Dhabi Civil Defence Authority (ADCDA).

The inspections aimed to assess preparedness levels and strengthen safety and prevention standards across educa-

tional institutions affiliated with ADEK.

They reviewed evacuation plans, early warning systems and the readiness of response teams, alongside field exercises to test compliance and staff awareness of safety procedures.

Mubarak Hamad Al Mheiri, Undersecretary of ADEK, said, "The safety of students and educational staff remains our top priority. In close coordination with relevant authorities, we are strengthening the readiness of schools and nurseries through clear protocols, ongoing inspections, and a proactive approach. This ensures schools are fully prepared, response measures are in place, and parents can feel confident that the

field visits form part of an integrated system to translate preparedness into measurable outcomes through testing evacuation plans, system efficiency and response readiness.

He added that continuous monitoring and realistic sce-

nario testing help identify gaps and enhance response efficiency, supporting stronger protection for students and staff and reinforcing a culture of prevention across the sector.

His Highness Sheikh Mohammed bin Rashid Al Maktoum, Vice President and Prime Minister of the UAE and Ruler of Dubai, while approving the Dubai Metro Gold Line, the emirate's largest sustainable transport project in Dubai on Wednesday —WAM

Mohammed bin Rashid approves Dubai Metro's Gold Line spanning 42 km, 18 stations, directs immediate start to project

DUBAI / WAM

His Highness Sheikh Mohammed bin Rashid Al Maktoum, Vice President and Prime Minister of the UAE and Ruler of Dubai, approved the Dubai Metro Gold Line, the emirate's largest sustainable transport project.

Involving an investment of around AED34 billion, the new

metro line will extend over 42 kilometres and 18 stations, marking Dubai's first fully underground metro line.

The Gold Line connects to both the Red and Green Lines, while integrating with Etihad Rail, effectively linking Dubai to the UAE's comprehensive national transportation network.

The approval of the project

came in the presence of H.H. Sheikh Hamdan bin Mohammed bin Rashid Al Maktoum, Crown Prince of Dubai, Deputy Prime Minister and Minister of Defence of the UAE, and Chairman of The Executive Council of Dubai; H.H. Sheikh Maktoum bin Mohammed bin Rashid Al Maktoum, First Deputy Ruler of Dubai, Deputy Prime Minister and Minister of

Finance of the UAE; H.H. Sheikh Ahmed bin Mohammed bin Rashid Al Maktoum, Second Deputy Ruler of Dubai; H.H. Sheikh Ahmed bin Saeed Al Maktoum, President of the Dubai Civil Aviation Authority, Chairman of Dubai Airports, and Chairman and Chief Executive of Emirates Airline and Group; H.H. Sheikh Mansoor bin Mohammed bin Rashid Al

Maktoum, President of the UAE Olympic Committee; H.H. Sheikhha Latifa bint Mohammed bin Rashid Al Maktoum, Chairperson of the Dubai Culture and Arts Authority; and H.H. Sheikh Majid bin Mohammed bin Rashid Al Maktoum.

His Highness Sheikh Mohammed's approval of the landmark project marks a strategic milestone, reflecting

the robustness of Dubai's economy and its accelerating pace of development as the Government of Dubai continues to deliver ambitious infrastructure projects that boost economic growth and enhance quality of life, further elevating the emirate's global competitiveness.

UAB posts net profit of AED 75m for Q1

SHARJAH / WAM

United Arab Bank PJSC (UAB) has reported a net profit of AED 75 million for the first quarter ended 31 March 2026. The results are underpinned by 16% year-on-year growth in total operating income, reflecting the Bank's disciplined execution of its strategy, strong asset growth, and prudent risk management amid global market volatility and regional geopolitical uncertainty.

Total assets stood at AED 26.9 billion, up 15% year-on-year, supported by strong growth in loans, advances, and Islamic financing, which increased 21% to AED 15.1 billion, while investments increased 22% to AED 8.3 billion. Customer deposits rose

11% year-on-year to AED 16.7 billion.

Asset quality metrics remained robust, with a non-performing loan (NPL) ratio of 2.6% and provision coverage of 110%.

The Bank's capital and liquidity positions remained strong, with an advances-to-stable-resources ratio (ASRR) of 73%

and an eligible liquid asset ratio (ELAR) of 16%.

The bank continued to maintain a solid capital adequacy ratio of 20.4% and CET1 ratio of 16.4%, both of which remained well above regulatory requirements.

Shirish Bhide, Chief Executive Officer of UAB, said: "UAB has delivered a solid set of results in the first quarter of 2026, demonstrating the strength and resilience of our business model. In a quarter that saw a difficult period for the region, UAB delivered robust top-line and operating profit growth, vis-à-vis the same period in 2025. This impressive growth reflects the business momentum we have built and our disciplined approach to risk management and expense control."
