## UAE leaders congratulate King of Netherlands on King's Day

**ABU DHABI / WAM**

UAE President His Highness Sheikh Mohamed bin Zayed Al Nahyan has sent a message of congratulations to His Majesty King Willem-Alexander of the Kingdom of the Netherlands, on the occasion of King's Day. His Highness Sheikh Mohammed bin Rashid Al Maktoum, Vice President, Prime Minister and Ruler of Dubai, and His Highness Sheikh Mansour bin Zayed Al Nahyan, Vice President, Deputy Prime Minister and Chairman of the Presidential Court, sent similar messages to the King of the Netherlands and to Prime Minister Rob Jetten.

## UAE strongly condemns terrorist attacks in Mali

**ABU DHABI / WAM**

The United Arab Emirates has condemned in the strongest terms the terrorist attacks targeting several cities and military sites in the Republic of Mali, which resulted in a number of deaths and injuries.

In a statement, the Ministry of Foreign Affairs (MoFA) reiterated the UAE's strong condemnation of such criminal acts and its permanent rejection of all forms of violence, extremism, and terrorism aimed at undermining security and stability.

The Ministry expressed its sincere condolences and sympathy to the families of the victims of these deplorable attacks, and to the government and people of the Republic of Mali, as well as its wishes for a speedy recovery for all the injured.

## Gulf media leaders highlight strategic weight of Gulf image in global media as soft power asset

**DUBAI / WAM**

Speakers at a session titled 'Reshaping the Gulf's Image in Global Media' outlined a strategic roadmap to transform regional media from a defensive actor into the author and director of the global narrative.

Regarding the recent Iranian aggression, Abdulla Al Hamed reaffirmed the UAE's stance of transparency, unyielding

They highlighted the strategic weight of the regional image as a soft-power asset, calling for proactive management and comprehensive intellectual and cultural safeguards. The session is part of the Gulf Creators event organised on Monday by the UAE Government Media Office today at Atlantis, The Palm Dubai, bringing together more than 1,000 Gulf media professionals, thinkers, and content creators.

Speakers at the session included Samira Rajab, former Bahraini Minister of State for Media Affairs; Dr. Saad bin Tefla Al Ajmi, former Kuwaiti Minister of Information; and Abdulla bin Mohammed bin Butti Al Hamed, Chairman of the National Media Authority.

Speakers emphasised that the main obstacle to crafting a cohesive Gulf narrative is the absence of long-term strategic planning, and the need for an intelligent, integrated media discourse that attuned to the evolving digital landscape and resonates with the next generations.

### THE UAE performed strongly in the "international access" indicator: Report

## UAE ranks first globally in GEM report for 5th consecutive year

The UAE ranked first among high-income economies in eight major indicators

**ABU DHABI / WAM**

The UAE has maintained its global leadership in entrepreneurship, ranking first worldwide for the fifth consecutive year in the Global Entrepreneurship Monitor (GEM) 2025/2026 report. The UAE outperformed many advanced economies, reaffirming its position as the best environment globally for starting and operating new businesses.

The UAE ranked first among high-income economies in eight major indicators, including physical infrastructure, government policies in terms of support and relevance, tax and bureaucracy-related policies, government entrepreneurship programmes, research and development transfer, ease of market entry in terms of dynamics, ease of entry in terms of regulatory burdens, and entrepreneurial education.

- In the GEM 2025/2026 report, the UAE ranked second globally in both entrepreneurial finance and ease of access to funding, highlighting the strength and flexibility of its financial system
- The UAE is among only four countries globally that have achieved or exceeded the "sufficiency" level across all framework conditions of the entrepreneurship index

The UAE outperformed many advanced economies, reaffirming its position as the best environment globally for starting and operating new businesses

neural finance and ease of access to funding, highlighting the strength and flexibility of its financial system. This confirms the readiness of the UAE's economic environment to empower startups and enhance their opportunities for growth and expansion.

high level of resilience and its ability to adapt to regional and global changes.

The minister added that these results reflect the strength and integration of competitive policies and legislation introduced by the UAE to create a supportive entrepreneurial environment. This includes initiatives and strategies designed to empower entrepreneurs, notably the success of the national campaign "UAE: Global Entrepreneurship Capital," which aims to position the country as the leading destination for talent, innovators, and entrepreneurs worldwide.

cial intelligence, renewable energy, space, and financial technology.

The UAE recorded a strong global performance in the quality of its entrepreneurial environment, achieving a score of 7.0 in the National Entrepreneurship Context Index (NECI) for 2025. This index measures the overall entrepreneurial climate in each country based on expert assessments, reflecting the robustness of the UAE's ecosystem and the high level of confidence among business owners and investors.

The report indicated that the UAE is among only six countries where entrepreneurs unanimously recognise the critical importance of artificial intelligence over the next three years, reflecting its readiness to transition towards a knowledge-based, digital economy.

The country also ranked second globally in both entrepreneurial

Abdullah bin Touq Al Marri, Minister of Economy and Tourism, expressed pride in the UAE's achievement, noting that ranking first globally reflects the country's commitment to strengthening its entrepreneurship ecosystem and cementing its position as the most supportive economy for entrepreneurs and the top destination for establishing businesses.

He said this achievement is a direct result of the leadership's vision, which places entrepreneurship and small and medium-sized enterprises at the heart of building a competitive, knowledge-based economy driven by innovation. He also highlighted the UAE economy's

He further noted that these outcomes align with the objectives of the "We the UAE 2031" vision, which seeks to establish the country as a global hub for the new economy by supporting high-potential sectors such as technology, arti-

## ECA partners with 10 global early childhood startups to offer practical support for UAE families

**ABU DHABI / WAM**

The Abu Dhabi Early Childhood Authority (ECA) has partnered with 10 global early childhood startups through its Anjal Z programme to enable parents and caregivers across the UAE to access practical solutions and services that support children's quality of life, learning, cognitive development, and positive family bonding at home.

Families residing in the UAE can access the offers by visiting the dedicated link and using the promo code "FAMILYTIME" where applicable

The Authority explained that these partnerships provide a range of services, with some offered free of charge and others at discounted rates.

Over the past five years, the Anjal Z programme has contributed to identifying and supporting early childhood startups that deliver practical, everyday

solutions for families. Through this initiative, ECA is making these solutions available to families across the UAE, supporting continuity of learning, enhancing emotional wellbeing, regulating sleep routines, and strengthening family connections.

## Emirates completes first installation of 'Starlink' Wi-Fi on its A380

**DUBAI / WAM**

Emirates has completed the first installation of next-generation Starlink Wi-Fi on its Airbus A380 aircraft, marking a significant leap in inflight connectivity. The A380, among the first commercial aircraft to offer on-board internet, previously operated with systems delivering less than 1 Mbps. The new setup, featuring three Starlink antennas per aircraft, boosts connectivity capacity up to a thousand-fold, offering a "better than at home" experience at 40,000 feet.

More A380s are scheduled for accelerated upgrades throughout 2026.

The service will be complimentary for all passengers across all cabins, with easy access. Future enhancements include live TV streaming via Starlink, initially on personal devices and later on seatback screens.

Designed for the A380's double-decker structure and high passenger capacity, the system delivers more than 2 Gbps of total bandwidth. Compared to the Boeing 777, the A380 includes additional wireless access points and a third antenna to support higher demand.

Starlink installations will begin at Emirates Engineering

Starlink installations will begin at Emirates Engineering facilities in Dubai to speed up fleet-wide deployment —WAM

- Designed for the A380's double-decker structure and high passenger capacity, the Starlink system delivers more than 2 Gbps of total bandwidth
- The move builds on Emirates' broader investment in enhancing passenger experience, including its major retrofit programme

facilities in Dubai to speed up fleet-wide deployment. So far, 25 Boeing 777-300ER aircraft are equipped with the system, with more than 650,000 passengers already experiencing the service.

The move builds on Emirates' broader investment in enhancing passenger experience, including its major retrofit programme.

To date, 93 aircraft have been refurbished with upgraded cabins, interiors, and inflight systems offering more than 6,500 entertainment channels.

In 2025, Emirates also opened a US\$8 million Centre of Hospitality Excellence to train 25,000 cabin crew, further supporting service quality across its operations.

ABU DHABI / WAM

## UAE leaders congratulate President of South Africa on Independence Day

UAE President His Highness Sheikh Mohamed bin Zayed Al Nahyan has sent a message of congratulations to Cyril Ramaphosa, President of the Republic of South Africa, on the occasion of his country's Independence Day.

His Highness Sheikh Mohammed bin Rashid Al Maktoum, Vice President, Prime Minister and Ruler of Dubai, and His Highness Sheikh Mansour bin Zayed Al Nahyan, Vice President, Deputy Prime Minister and Chairman of the Presidential Court, dispatched similar messages to President Ramaphosa.

MIITE is the UAE's flagship industrial platform

## 5th Make it in the Emirates to take place in Abu Dhabi

MIITE will be taking place from 4 to 7 May 2026 at ADNEC Centre Abu Dhabi

ABU DHABI / AD MEDIA OFFICE

The Ministry of Industry and Advanced Technology (MoIAT) convened the Industrial Resilience and Supply Chain Continuity Forum in Abu Dhabi with high-level participation from ministries, relevant authorities, leaders, experts, and CEOs from the industrial sector, in the lead-up to the fifth edition of Make it in the Emirates (MIITE).

MIITE is the UAE's flagship industrial platform, taking place from 4 to 7 May 2026 at ADNEC Centre Abu Dhabi. The event is hosted by the UAE Ministry of Industry and Advanced Technology (MOIAT) and organised by ADNEC Group, a Modon company, in collaboration with the Ministry of Culture, the Abu Dhabi Investment Office, and ADNOC Group.

The forum and the platform embody five years of significant efforts to develop and modernise the sector in line with a national industrial strategy that has laid a solid foundation for the UAE, enabling it to navigate current shifts in global trade and allowing it to turn challenges into opportunities that enhance its competitiveness.

The forum was chaired by His Excellency Dr Sultan bin Ahmed Al Jaber, Minister of Industry and Advanced Technology and Managing Director and CEO of ADNOC and its group of companies, with the participation of a number of ministers from the UAE government and representatives of industrial

At MIITE 2026, MoIAT will unveil a series of forward-looking initiatives designed to strengthen the UAE's industrial resilience and support companies through today's volatile environment —WAM

“Thanks to the vision, guidance, and oversight of our wise leadership, the UAE has established a pioneering model for addressing challenges and turning them into opportunities. The industrial sector plays a fundamental and vital role in these efforts, as industry is a cornerstone of national sovereignty; countries that do not manufacture their own needs remain hostage to circumstances and the fluctuations of global markets

**His Excellency Dr Sultan Ahmed Al Jaber**

companies, financial institutions, and commercial firms in the country, as part of a session focused on translating national coordination into tangible, immediate, and measurable results.

His Excellency Dr Sultan Ahmed Al Jaber, said: “Thanks to the vision, guidance, and oversight of our wise leadership, the UAE has established a pioneering model for addressing challenges and turning them into opportunities. The industrial sector plays a fundamental and vital role in these efforts, as industry is a cornerstone of national sovereignty; countries that do

not manufacture their own needs remain hostage to circumstances and the fluctuations of global markets. Current changes and circumstances have led to challenges that require a coordinated and decisive response. Shipping lanes have been disrupted, energy markets have faced mounting pressures, supply chains have been disrupted, and protectionist policies are reshaping the landscape of global trade. Industry remains the backbone of recovery; it is what rebuilds and transforms moments of hardship into a solid and enduring strength.”

His Excellency explained that self-sufficiency is not built on slogans, but on factories, products, and qualified national personnel. He emphasised the need to commit to supporting domestic products by raising quality standards and requirements to enable them to compete effectively, noting that industrial self-sufficiency does not mean closing oneself off from the world, but rather the ability to withstand and persevere when markets are unstable and supply chains are disrupted. He added that it is essential for national production to meet necessary strategic needs in food, industrial, and pharmaceutical security, while remaining open to regional and global cooperation and integration.

His Excellency invited attendees to participate in the next edition of Make it in the Emirates, which will provide them with additional purchasing opportunities for their products and allow them to identify critical and priority products. More than 4,800 products will be identified for localisation and to reduce reliance on imports, helping manufacturers target clear opportunities. Opportunities for accessing financing and incentives focused on priority sectors will also be highlighted.

His Excellency Dr Sultan Al Jaber concluded his remarks at the forum by saying: “A nation that manufactures its own food, medicine, and machinery is capable of resilience.”

## UAE Banks Federation approves 2026 strategy

ABU DHABI / WAM

UAE Banks Federation (UBF) approved its 2026 strategy at its Annual General Meeting (AGM), in the presence of representatives of all its member banks.

The strategy, endorsed by UBF's board at a meeting held prior to the AGM, focuses on advancing the sector's role in economic growth and reinforcing the UAE's leading position among the world's best financial and banking centres.

Participants emphasised the importance of the UAE's banking and financial sector's achievements under the direct supervision of the Central Bank of the UAE, as well as the high resilience of the financial and banking industry and its ability to adapt to global changes and challenges, which has further strengthened the UAE's leading global position.

During the meeting, the members approved the previous minutes of the AGM held in April 2025, the audited financial statements for 2025, and the auditors' report.

The meeting stressed the priority of supporting strong fundamentals of the banking industry and enhancing its role in economic development and achieving the UAE's strategic objectives. It noted that the continued strong performance of UAE banks in 2025 reinforced the sector's leadership position both regionally and globally, with total assets of UAE banks reaching AED5.4 trillion.

The strategy, endorsed by UBF's board at a meeting held prior to the AGM, focuses on advancing the sector's role in economic growth and reinforcing the UAE's leading position among the world's best financial and banking centres

The credit portfolio grew by 17.9 percent and deposits increased by 16.2 percent, while maintaining high levels of capital adequacy and liquidity ratios exceeding regulatory requirements and international standards.

Participants also highlighted the Federation's efforts in advancing Emiratisation in line with the CBUAE's plan. UBF's member banks exceeded the 2025 targets by 160 percent, leading to a further increase in Emiratisation across the banking sector.

## Quiqub launches 'Shop Local' for UAE SMEs, local brands

With 190 brand submissions received, the logistics provider is continuing to invite more businesses to join the platform

DUBAI / WAM

Quiqub, a UAE-based innovative e-commerce logistics provider, has launched “Shop Local”, a new initiative designed to help consumers discover and support local businesses across the UAE, while giving SMEs greater visibility and easier access to customers through a dedicated online platform.

“Shop Local” brings together UAE-based brands in one platform, making it easier for consumers to browse, discover, and buy from local businesses that may otherwise struggle to stand out in an increasingly crowded digital marketplace.

The platform is open to small and local businesses across the UAE and is intended to help address one of the most common challenges SMEs face, being seen by the right customers,

giving them a practical channel through which to build awareness, generate sales, and support longer-term growth.

Fatima Yousif Alnaqbi, Acting Assistant Under-Secretary for the Support Services Sector at MoF, and the Ministry's representative at MBRIF, said, “Enabling innovative, high-potential businesses to grow is central to building a stronger and more future-ready economy. When companies are supported at the right stage, they are better positioned to scale, contribute more meaningfully to the market, and create wider value across the business ecosystem. This is particularly important in the UAE, where innovation and entrepreneurship continue to play a vital role in driving economic progress and opening new opportunities for local businesses.”

Launched at a time when supporting local businesses has taken on even greater importance, Shop Local reflects growing momentum around practical initiatives that help SMEs strengthen their presence, and continue contributing to the wider economy —WAM

Launched at a time when supporting local businesses has taken on even greater importance, Shop Local reflects growing momentum around practical initiatives that help SMEs strengthen their presence, and continue contributing

to the wider economy. Bassel El Koussa, CEO of Quiqub, said, “Small and local businesses are a vital part of the UAE's economy, and supporting them is one of the most meaningful ways to contribute to the wider community. We

“Shop Local” brings together UAE-based brands in one platform, making it easier for consumers to browse, discover, and buy from local businesses that may otherwise struggle to stand out in an increasingly crowded digital marketplace

have always believed that people and businesses come together more strongly around shared purpose, and Shop Local was created with that in mind. For us, this is about creating more opportunities for local brands to build momentum, deepen customer connections, and strengthen their presence in the market. We hope the ini-

tiative encourages more people to discover the businesses around them and play a more active role in supporting the local economy.”

With 190 brand submissions already received, Quiqub is continuing to invite more UAE-based businesses to join the platform, with the aim of supporting at least 250 businesses through Shop Local within the next few weeks.

The launch of Shop Local is set to be followed by Source Local, a similar initiative intended to generate real business leads for local suppliers and manufacturers. The Source Local solution will replicate the Shop Local format, with an integrated platform increasing visibility for local suppliers and manufacturers and linking them with potential customers.

# DCD Abu Dhabi wraps up first activation of ‘Where Life Pulses’ initiative in Al Ain

The event attracted more than 22,000 visitors, underscoring the success of the initiative, which aimed to enhance social interaction and strengthen community bonds

ALAIN / WAM

The Department of Community Development – Abu Dhabi (DCD Abu Dhabi) has successfully concluded the first activation of the ‘Where Life Pulses’ initiative, which ran from 10th to 12th April 2026 at Al Aamerah Park in the Al Aamerah district of Al Ain. The event attracted more than 22,000 visitors, underscoring the success of the initiative, which aimed to enhance social interaction and strengthen community bonds through a diverse range of community-focused activities.

A total of 35 children, teenagers, and young entrepreneurs from Al Aamerah and surrounding areas took part in the ‘Where Life Pulses’ event, managing their own projects with the support of their families

The activation in Al Aamerah witnessed strong participation from residents and visitors alike, offering a variety of interactive activities designed for all age groups, with a particular focus on children and youth. This approach helped foster an inclusive environment that strengthened cooperation and reinforced a shared sense of belonging. A total of 35 children,

teenagers, and young entrepreneurs from Al Aamerah and surrounding areas took part in the event, managing their own projects with the support of their families. The initiative provided a practical, community-based experience that builds self-confidence and empowers young people to play an active role in shaping the future.

The event also featured a wide range of recreational activities and entertainment programmes, including eight educational workshops, designated community engagement spaces with five interactive games, and six food and beverage trucks.

Mohammed Hilal Al Balooshi, Executive Director of the Community Engagement and Social Empowerment Sector at the Department of Community Development – Abu Dhabi, said, “Where Life Pulses’ initiative reflects an innovative approach to strengthening social cohesion and empowering youth within residential neighbourhoods. It highlights the essential role of families and community members in creating meaningful impact, supporting their children’s development, and reinforcing shared values that strengthen social bonds.”

## Community Development Authority launches ‘Family Day’ initiative

DUBAI / WAM

The Community Development Authority in Dubai (CDA) has launched the Family Day initiative at Souk Center for Care and Rehabilitation, reinforcing the role of families in supporting juvenile rehabilitation and reintegration.

Aligned with the objectives of the Year of the Family 2026, the initiative emphasises that structured family engagement can serve as a key therapeutic tool. It aims to prepare both juveniles and their families for reintegration, recognising that a supportive home environment is essential for long-term success.
