UAE leaders congratulate Polish President on Constitution Day

ABU DHABI / WAM

UAE President His Highness Sheikh Mohamed bin Zayed Al Nahyan has sent a congratulatory message to President Karol Nawrocki of the Republic of

Poland on the occasion of his country's Constitution Day.

His Highness Sheikh Mohammed bin Rashid Al Maktoum, Vice President, Prime Minister and Ruler of Dubai, and His Highness Sheikh Mansour bin Zayed

Al Nahyan, Vice President, Deputy Prime Minister, and Chairman of the Presidential Court, also sent similar messages to the Polish President and the country's Prime Minister Donald Tusk on the occasion

ADNOC to accelerate growth strategy with AED200bn in project awards

The planned project awards will usher in a new phase of world-scale project execution across its value chain to meet growing global energy demand

ABU DHABI / WAM

ADNOC on Sunday confirmed it is accelerating growth and delivery of its strategy with AED200 billion (\$55 billion) in new project awards for 2026-2028. The planned project awards reinforce delivery of ADNOC's five-year capital expenditure (CAPEX) plan approved by its Board of Directors last year and will usher in a new phase of world-scale project execution across its value chain to meet growing global energy demand.

The announcement was made at the 'Make it With ADNOC' Forum, which connected top engineering, procurement and construction (EPC) contractors with 70 local manufacturers included in ADNOC's 'Local+' list after meeting its technical and qualification standards to support the company's project requirements.

The 'Local+' initiative under ADNOC's In-Country Value (ICV) program is aimed at ensuring that Made in the Emirates products are first-choice across ADNOC's project delivery, supporting the growth of local manufacturers.

The planned project awards span ADNOC's upstream and downstream operations and usher in a new phase of project delivery that will supercharge UAE's manufacturing capacity, strengthen industrial resilience, deepen the impact of the company's In-Country Value program and advance the 'Make it in the Emirates' initiative.

The Make it With ADNOC Forum was convened by Dr Al Jaber and brought together over 400 attendees, including government entities, private sector companies and ADNOC's EPC contractors —WAM

“In line with the directives of the UAE Leadership to advance the UAE's energy and industrial sectors, ADNOC is entering a defining execution phase in its strategy, driven by scale, pace and a laser-focus on delivery

Dr Sultan Ahmed Al Jaber,
UAE Minister of Industry and Advanced Technology and ADNOC Managing Director and Group CEO

Dr. Sultan Ahmed Al Jaber, UAE Minister of Industry and Advanced Technology and ADNOC Managing Director and Group CEO, said: "In line with the directives of the UAE Leadership to advance the UAE's energy and industrial sectors, ADNOC is entering a defining execution phase in its strategy, driven by scale, pace and a laser-focus on delivery. This marks a new chapter of growth and resilience to meet rising global energy demand while strengthening and expanding the UAE's industrial and manu-

facturing base.

"As we deliver on this phase of growth, we are bringing together leading EPC contractors with 70 top UAE manufacturers to enhance accountability, maximize in country value and ensure Made in the Emirates products are first-choice across our projects, and are at the core of how we procure, build and execute. We invite partners who can move at the pace of the UAE's ambitions, match flawless execution with rock-steady reliability and demonstrate an unwavering focus on local value

creation to join us in this new chapter of our journey."

The Make it With ADNOC Forum was convened by Dr. Al Jaber and brought together over 400 attendees, including government entities, private sector companies and ADNOC's EPC contractors. It provided industry partners greater visibility into the ADNOC's multi-billion project pipeline, unlocking a wealth of manufacturing opportunities and underscoring the strong confidence in the UAE's industrial base.

The gathering provided greater transparency into ADNOC's investment plans and the resulting local manufacturing opportunities. It demonstrated ADNOC's approach to early partner engagement and long term, performance based partnerships, underpinned by a faster, more agile, and disciplined project delivery model.

New industrial establishments commencing operations in Abu Dhabi rise 53% in 2025

ABU DHABI / WAM

The growth of the manufacturing sector last year, driven by the ADIS, is strengthening the emirate's position as the region's most competitive industrial hub. In 2025, the number of new industrial establishments moving to full operation increased by 53 percent to reach 115 compared to 75 in 2024.

Highlighting the ADDED's participation at the 5th session of 'Make it in the Emirates', Hamad Sayah Al Mazrouei, Undersecretary of ADDED, said, "The manufacturing sector, one of the largest contributors to Abu Dhabi's GDP, is a key component of our strategies to accelerate economic growth and diversification. ADIS is fully aligned with national priorities to strengthen supply chains, increase local manufacturing capacity, and attract global industrial leaders, and we continue to work closely with the MoIAT and other partners to achieve the objectives of the 'Operation 300bn' and the UAE's Net Zero 2050 Strategy."

Since the launch of ADIS in 2022, it has been advancing the sector through targeted programmes including talent development, homegrown supply chains, ecosystem enablement, value chain development, Industry 4.0, and circular economy: Al Mazrouei

UAE Pavilion set to showcase national defence innovation at SAHA 2026 exhibition in Istanbul

ISTANBUL / WAM

The UAE Pavilion will make a prominent appearance at the SAHA 2026 International Defence and Aerospace Exhibition, taking place from 5th to 9th May 2026 at the Istanbul Expo Centre.

SAHA 2026 is recognised as one of the world's most significant gatherings for the defence, aerospace, and security industries, drawing over 1,700 exhibitors and thousands of visitors from more than 120 countries.

The UAE Pavilion's participation is supported by the Ministry

of Defence and the Tawazun Council for Defence Enablement, and is organised by ADNEC Group, a Modon company.

Over the course of the five-day exhibition, the Pavilion will serve as a hub for international delegations, defence and security industry leaders, and decision-makers, facilitating high-level meetings and fostering new partnerships that reinforce the UAE's role as a global leader in defence innovation and industrial collaboration.

Largest-ever Make it in the Emirates opens Monday with 120,000 visitors

The fifth and largest edition of the UAE's flagship industrial forum brings together approximately 1,200 exhibitors

ABU DHABI / WAM

The UAE's flagship industrial forum opens Monday in Abu Dhabi with 120,000 visitors expected over four days and a host of new features designed to help businesses tap into one of the world's most dynamic industrial development stories.

The fifth and largest edition of Make it in the Emirates, taking place under the theme 'Advanced Industry. Emerging Stronger', brings together approximately 1,200 exhibitors across 88,000 square metres at ADNEC Centre Abu Dhabi, spanning 12 priority industries including advanced manufacturing, aerospace and defence, pharmaceuticals, energy, mobility, and sustainable materials.

The scale of this year's event reinforces the UAE's long-term industrial direction and commitment to an economy built to

This year's edition introduces four dedicated experiential hubs — one of the most significant expansion of the forum's format since its launch — reflecting a push to move beyond

deal-making and into hands-on industrial capability building.

Laid out like lobes of the human brain, the Intelligence Hub is a 1,400-square-metre technology showcase positioned along VIP circulation routes and designed for what organizers describe as "real industrial decisions".

The hub features AI, robotics, drones, electric vehicles, batteries, industrial cybersecurity, and smart manufacturing technologies, structured across three showcase categories: locally developed technologies, international innovations, and UAE-global collaborations.

With SMEs, start-ups, and entrepreneurs accounting for 61% of exhibitors this year, the Industry NextGen Hub supports businesses with a direct pipeline into national procurement. The hub features pitch competitions, investor match-

making, business-to-business meetings with anchor buyers, and workshops on accessing national financing programmes and integrating into supply chains.

The Quality Hub focuses on the certification and accreditation frameworks that allow UAE-manufactured products to compete in international markets, offering practical guidance on standards compliance.

The House of Industry, billed as the UAE's first immersive industrial heritage exhibition, traces the country's evolution from early trade through to advanced manufacturing via film, timelines, and interactive exhibits. The debut of a heritage experience at Make it in the Emirates places the UAE's industrial story at the heart of national identity.

Dubai takes manufacturing ecosystem to national stage

Dubai Department of Economy and Tourism's participation at the 'Make it in the Emirates 2026' platform aligns with goals of the D33

DUBAI / WAM

The Dubai Department of Economy and Tourism (DET) will showcase the emirate's advanced, future-ready manufacturing ecosystem at the Dubai Pavilion during "Make it in the Emirates 2026," the fifth edition of the UAE's flagship industrial forum, taking place from 4-7 May at ADNEC Centre Abu Dhabi.

The participation comes at a time when Dubai continues to demonstrate operational continuity and economic resilience, reinforcing its position as a stable and globally connected industrial hub.

Held under the theme 'Advanced Industry. Emerging Stronger', the forum reflects the UAE's commitment to building a sustainable, technology-driven industrial base anchored in innovation and global partnerships. Dubai enters the forum bolstered by a stand-out performance, having achieved 6.4% GDP growth in Q4 2025, with total GDP reaching AED937 billion for the full year, underscoring steady economic momentum despite global headwinds.

DET's participation aligns with the goals of the Dubai Economic Agenda, D33, which targets more than doubling manufacturing value-added output in the decade up to 2033, while reinforcing Dubai's position as a leading destination for industrial investment.

DET will present Dubai as a globally connected hub for advanced manufacturing, underpinned by world-class infrastructure, integrated logistics, and seamless access to international markets.

Attendees will gain an understanding of how manufacturers operating in Dubai benefit from connectivity to more than 130 export destinations, supported by Comprehensive Economic Partnership Agreements and advanced customs facilitation measures that ensure reliable trade flows. At the Dubai Pavilion, DET will bring together key entities includ-

ing Dubai Industrial City, National Industries Park, Dubai Integrated Economic Zones Authority (DIEZ), Dubai Chambers, Dubai Future Foundation, Food Tech Valley, and other strategic partners.

Hadi Badri, CEO of the Dubai Economic Development Corporation (DED), the economic development arm of DET, said: "Dubai's leadership has consistently taken decisive, policy-driven action to safeguard growth and stability. Our manufacturing sector reflects this approach: it is diversified, technologically advanced, and fully integrated into global value chains. Even amid regional pressures, business continuity remains seamless across logistics, trade and industrial operations.

UAE continues to advance integrated industrial model: MoIAT Undersecretary

ABU DHABI / WAM

Hassan Al Nowais, Undersecretary of the Ministry of Industry and Advanced Technology (MoIAT), affirmed that the Make it in the Emirates 2026 platform, to be hosted by the Ministry in Abu Dhabi from 4th May till 7th May serves as a national platform to transform industrial opportunities into investments, projects and tangible outcomes, supporting supply chain resilience and advancing sustainable industrial growth in the UAE.

In statements to the *Emirates News Agency* (WAM), Al Nowais said the platform comes as global economies reshape supply chains, while the UAE continues to strengthen an integrated industrial model based on competitiveness, flexibility and future readiness through an ecosystem that brings together investors, manufacturers, technology providers, financing entities and key buyers within a unified, growth-supporting environment.

He added that Make it in the Emirates goes beyond showcasing opportunities, serving as an execution platform that links investment, manufacturing, financing and technology, while supporting direct local investment and converting opportunities into agreements, contracts and tangible industrial projects, thereby enhancing local production, boosting the competitiveness of national industry and supporting ex-

Zayed Charity Run to take place in Ethiopia in May

The event transcends athletic competition, with proceeds dedicated to supporting humanitarian initiatives

ABU DHABI / AD MEDIA OFFICE

Reinforcing the UAE's enduring humanitarian vision, Zayed Charity Run will take place in Addis Ababa, Ethiopia, and marks the launch of a distinctive sporting and humanitarian initiative that embodies unity among peoples and advances a global message of kindness.

The run is scheduled to take place on 3 May 2026, at Meskel Square in Addis Ababa, Ethiopia, at 7am. Organised as a special invitation-only event, the run aims to deliver a unique experience for participants and all charitable proceeds will be donated by the Emirates Red Crescent and given to the Children's Heart Fund Ethiopia.

With a delegation of 50 runners from the UAE, the event builds on a global movement that has engaged thousands of

participants worldwide and stands as a powerful reflection of unity and cultural diversity.

Alongside this broad participation, prize money totaling AED150,000 has been allocated for the run, adding a competitive dimension alongside its humanitarian purpose.

A press conference was held on 1 May in the presence of His Excellency Lt General (Ret.) Mohammed Hilal Al Kaabi, Chairman of the Supreme Organising Committee of the Zayed Charity Run, and His Excellency Ahmed Sari Al Mazrouei, Secretary-General of the Emirates Red Crescent Authority.

The Zayed Charity Run is one of the UAE's most prominent humanitarian and sporting initiatives, launched in honour of the legacy of the late Sheikh Zayed bin Sultan Al Nahyan. Since its inception, it has served
