## UAE President directs adoption of comprehensive national health insurance system covering all emirates

ABU DHABI / WAM

His Highness Sheikh Mohamed bin Zayed Al Nahyan, President of the UAE, has directed the adoption of a national healthcare system that guarantees comprehensive medical care and health services for all citizens. The system is underpinned by a fully integrated national health insurance scheme covering all emirates of the country.

The announcement reflects the leadership's commitment to ensuring universal access to high-quality healthcare for all citizens and to building an advanced health sector grounded in preventive care, digital transformation, public health, innovation, and the long-term sustainability of health services. The new system aims to develop a fully integrated healthcare model that enhances the

efficiency and sustainability of health services, ensures the optimal utilisation of healthcare resources, and elevates sector readiness in line with international best practices and the highest global standards, affirming that human health is a fundamental national priority and a central pillar of the UAE's comprehensive development journey. Ahmed bin Ali Al Sayegh, Minister of Health and Prevention,

said that the directives of President His Highness Sheikh Mohamed bin Zayed reflect a national vision that places human health and quality of life at the heart of the UAE's development priorities, noting that the new system represents a strategic step towards establishing a more efficient, agile, and forward-looking national healthcare model. He added that the UAE con-

tinues to advance its healthcare systems on the foundations of prevention, sustainability, and innovation, ensuring the delivery of comprehensive health services to citizens in accordance with the highest international standards. Al Sayegh noted that the UAE's health system is anchored in an integrated federal and local model, supported by advanced infrastructure, interconnected

digital health platforms, and sustained investment in enhancing service quality and expanding accessibility across all emirates. He further stated that the new system supports the UAE's vision of strengthening the resilience of the health sector, achieving seamless integration across all levels of health services, and delivering long-term health outcomes for citizens at every stage of life.

## Hazza bin Zayed visits Al Ain Police Directorate, reviews development programmes, security readiness

AL AIN / WAM

HH Sheikh Hazza bin Zayed Al Nahyan, Ruler's Representative in Al Ain Region, has visited Al Ain Police Directorate.

HH Sheikh Hazza reviewed several development programmes and projects, implemented by Abu Dhabi Police General Headquarters, in crime and narcotics prevention, and the integration of artificial intelligence (AI) within the Safe City System, in addition to assessing the level of preparedness for managing security incidents, civil defence operations and emergency response systems.

He was briefed on the strategic projects supporting the Safe City System and their role in enhancing policing efficiency using AI to support field operations, analyse data and predict criminal patterns, contributing to combating crime and narcotics, reducing accident-related fatalities, and reinforcing coordination with strategic partners.

Sheikh Hazza also reviewed the Security Incident Management System and the coordination mechanisms between relevant entities in responding to vari-

ous security emergencies, enhancing the speed of decision-making and improving field response efficiency, in line with the highest standards of readiness and professionalism

ous security emergencies, enhancing the speed of decision-making and improving field response efficiency, in line with the highest standards of readiness and professionalism. He further received a briefing on the efforts of the Abu Dhabi Emergency, Crisis and Disaster Management Centre and its collaboration with strategic partners, as well as the level of readiness to deal with adverse weather conditions in the Al Ain Region.

JAFZA is home to 12,000 businesses

## DP World Investments attracts over AED854mn in investments at Jafza

Momentum continued through March and April, with more than 43% of the total commitments by value signed during these months

DUBAI / WAM

DP World has attracted AED854 million in investments across Jebel Ali Free Zone (Jafza) in the first four months of 2026, underlining continued investor demand for Dubai's trade and industrial hub.

The investments reflect commitments made by Jafza tenants to develop and expand facilities across manufacturing, logistics, food production, healthcare, vehicle handling and heavy equipment. Momentum continued through March and April, with more than 43% of the total commitments by value signed during these months.

The new investments reflect a broad mix of trade and industrial activity, including: Manufacturers of steel, food products and furniture strengthening production; Healthcare-related businesses

With its proximity to Jebel Ali Port and access to integrated sea, air and land connectivity, the free zone provides an efficient multimodal base for companies serving markets across the Middle East, Africa, South Asia and beyond

investing in long-term operations in Dubai; Third-party logistics providers strengthening warehousing operations; Finished vehicle logistics operators investing in spaces for vehicle handling; Heavy equipment traders serving construction and industrial customers.

The investments reflect commitments made by Jafza tenants to develop and expand facilities across manufacturing, logistics, food production, healthcare, vehicle handling and heavy equipment

the Middle East, Africa, South Asia and beyond.

Abdulla Al Hashmi, Global Chief Operating Officer, Parks and Economic Zones, DP World, said, "The scale of these commitments, particularly in essential sectors like food and healthcare, highlights how businesses are prioritising resilience alongside growth."

## UAE air defences intercept six UAVs over past 48 hours

ABU DHABI / WAM

The Ministry of Defence announced that over the past 48 hours, UAE air defence systems successfully detected and intercepted six hostile UAVs that attempted to target civilian and vital areas in the country.

The air defence forces successfully intercepted and neutralised the hostile targets with the highest levels of readiness and efficiency, without any human casualties or impact on the safety of vital facilities.

As part of the ongoing investigations into the blatant attack on the Barakah Nuclear Energy Plant on 17th May, 2026, the results of tracking and technical monitoring revealed that the three UAVs involved in the incident — two of which were successfully intercepted while the third struck an electricity generator outside the plant's inner perimeter on that date — in addition to the UAVs intercepted subsequently, had all originated from Iraqi territory.

The Ministry of Defence affirmed that the United Arab Emirates reserves its full right

The air defence forces successfully intercepted and neutralised the hostile targets with the highest levels of readiness and efficiency, without any human casualties or impact on the safety of vital facilities

to take all necessary measures to protect its sovereignty and national security in accordance with international laws and conventions.

The Ministry also stressed the full readiness of the Armed Forces to confront any threats targeting the country's security.

ASIDE from its main cruise terminal operations in the UAE

## AD Ports launches cruise, ferry terminal services in Egypt

Egypt and the Red Sea are a focus of AD Ports Group's expanding global network of integrated trade, transport, and logistics facilities

SHARM EL SHEIKH / WAM

AD Ports Group on Tuesday announced the commencement of cruise services at its three terminals in Sharm El Sheikh, Hurghada, and Safaga in Egypt, in addition to facilitating ferry services connecting Safaga and NEOM ports to support transport of Hajj workers between Egypt and Saudi Arabia.

In 2024, AD Ports Group signed a 15-year concession agreement with Egypt's Red Sea Ports Authority to manage, develop, and operate the three cruise terminals and associated ferry operations on Egypt's Red Sea coast.

Sharm El Sheikh Cruise Port welcomed the arrival of "Aroya", the largest mega cruise ship ever to dock directly in the coastal city, marking the beginning of a new era for cruise tourism in the Red Sea.

Aroya's arrival at Sharm El Sheikh was enabled by the Egyptian Ministry of Transport and the Red Sea Ports Authority's upgrades to the port's docking capabilities, delivered in close collaboration with AD Ports Group.

Noura R. Al Dhaheri, Chief Executive Officer of Cruise Business at AD Ports Group,

The arrival of "Aroya" in Sharm El Sheikh marks the first of several scheduled calls by the mega cruise vessel in 2026, reinforcing Sharm El Sheikh's position, alongside Hurghada and Safaga, as regular destinations on regional and international cruise itineraries —WAM

■ Sharm El Sheikh Cruise Port welcomed the arrival of "Aroya", the largest mega cruise ship ever to dock directly in the coastal city, marking the beginning of a new era for cruise tourism in the Red Sea

■ Aroya's arrival at Sharm El Sheikh was enabled by the Egyptian Ministry of Transport and the Red Sea Ports Authority's upgrades to port's docking capabilities, delivered in collaboration with AD Ports Group

said that the launch of AD Ports Group's cruise and ferry terminal services in Egypt underscores the group's commitment to advancing cruise tourism across the Red Sea, while driving sustainable eco-

omic value in the markets where AD Ports operate. "Through close collaboration with our partners, we will continue to elevate passenger experience by delivering world-class facilities and seamless services," she

said.

The arrival of "Aroya" in Sharm El Sheikh marks the first of several scheduled calls by the mega cruise vessel in 2026, reinforcing Sharm El Sheikh's position, alongside Hurghada and Safaga, as regular destinations on regional and international cruise itineraries.

Aside from its main cruise terminal operations in the UAE, the Group also manages and operates the Aqaba Cruise Terminal in Jordan through a partnership with the Aqaba Development Corporation (ADC).

Egypt and the Red Sea are a focus of AD Ports Group's expanding global network of integrated trade, transport, and logistics facilities.

Beyond its container feeder shipping and stevedoring services, the Group in Egypt this year will inaugurate Noatum Ports Safaga Terminal, a US\$200 million multipurpose cargo terminal and major trade gateway for southern (Upper) Egypt.

The Group is also developing the 20 km<sup>2</sup> KEZAD East Port Said Industrial and Logistics Park with Egyptian partners at the Mediterranean mouth of the Suez Canal.

## UAE explores closer economic cooperation with IMF

The meeting reflected the shared commitment to strengthening coordination and consultation on regional and global economic developments —WAM

DUBAI / WAM

Mohamed bin Hadi Al Hussaini, Minister of State for Financial Affairs, received Jihad Azour, Director of the Middle East and Central Asia Department at the International Monetary Fund (IMF), as part of the ongoing discussions and longstanding strategic partnership between the two sides.

The meeting reflected the shared commitment to strengthening coordination and consultation on regional and global economic developments.

The meeting was attended by Ali Abdullah Sharafi, Assistant Undersecretary for International Financial Relations at the Ministry of Finance.

Held at the Ministry of Finance office in Dubai, the meeting focused on the evolving global economic landscape and the financial and economic outlook for the coming period. Discussions explored the implications of accelerating global shifts and the importance of adopting agile, forward-

thinking policies capable of responding to emerging challenges while unlocking new opportunities to strengthen the UAE's competitiveness and sustain long-term economic growth.

Al Hussaini affirmed that the UAE continues to consolidate its position as a dynamic and resilient economic model, guided by the leadership's forward-looking vision and its commitment to strengthening financial stability, fostering a globally competitive business environment, and advancing agile fiscal policies aligned with evolving global transformations and future priorities.

He also highlighted the importance of maintaining close cooperation with international financial institutions, particularly the IMF, noting that such partnerships play a vital role in facilitating the exchange of expertise and perspectives while supporting national efforts aimed at advancing sustainable development and economic resilience.

## Nakheel introduces Podium Villas in Dubai

DUBAI / WAM

Nakheel, a member of Dubai Holding Real Estate, has introduced the Podium Villas at Palm Beach Towers, a limited collection of 16 beach-

front homes located at the gateway to Palm Jumeirah, within one of Dubai's most connected coastal addresses, with handover expected in H1 2027.

"Palm Jumeirah remains

one of Dubai's most internationally recognised destinations and continues to set the benchmark for waterfront living," said Khalid Al Malik, Chief Executive Officer of Dubai Holding Real Estate.

"The Podium Villas at Palm Beach Towers build on that legacy with a limited collection of beachfront homes that offer space, privacy and access to an exclusive residents' beach."

## Dubai CommerCity enhances cross-border e-commerce platform

It supports end-to-end automation across the trade journey, from order placement and customs clearance to final delivery

DUBAI / WAM

Dubai CommerCity on Tuesday announced the enhancement of its integration with the cross-border e-commerce platform, in collaboration with Dubai Customs, Dubai Municipality, and NAQEL Express, to develop the digital trade ecosystem and accelerate the movement of goods across borders.

The integration forms part of broader efforts to connect free zones with logistics and e-commerce service providers through an advanced digital platform built on blockchain technology.

The platform supports end-to-end automation across the trade journey, from order placement and customs clearance to final delivery, while ensuring the

highest levels of transparency, traceability and efficiency.

Dubai CommerCity, the region's first free zone dedicated exclusively to digital commerce and a joint venture between the Dubai Integrated Economic Zones Authority (DIEZ) and Wasl Properties, plays a pivotal role in the initiative by facilitating collaboration among stakeholders while enhancing the readiness of businesses operating within its ecosystem to scale regionally and internationally through an integrated digital infrastructure.

Abdulrahman Shahin, Senior Vice President of Operations at Dubai CommerCity, said the integration marked a significant step in strengthening connectivity across the digital commerce

Dubai CommerCity plays a pivotal role in the initiative by facilitating collaboration among stakeholders while enhancing the readiness of businesses operating within its ecosystem to scale regionally and internationally through an integrated digital infrastructure —WAM

ecosystem, linking free zones, regulatory authorities, and logistics providers to enable seamless operations and faster cross-

The integration forms part of broader efforts to connect free zones with logistics and e-commerce service providers through an advanced digital platform built on blockchain technology

ciently through an integrated digital environment that enhances compliance and accelerates execution, in alignment with the UAE's Zero Government Bureaucracy Programme," he said.

Dr. Naseem Mohammed Rafee, Acting CEO of the Environment, Health and Safety Agency at Dubai Municipality, reaffirmed the municipality's commitment to strengthening market trust and competitiveness by enabling the seamless flow of goods within an integrated regulatory

framework that carefully balances product safety requirements with smooth procedures. She said, "As a key partner in this initiative, we focus on strengthening collaboration and continuous coordination with our strategic partners across the public and private sectors, leveraging innovative oversight solutions to accelerate product release and approval processes for e-commerce operations."

HH Sheikh Hazza bin Zayed Al Nahyan, Ruler's Representative in Al Ain Region, while visiting Al Ain Police Directorate on Tuesday — WAM

# Hazza bin Zayed visits Al Ain Police Directorate, reviews development programmes, security readiness

AL AIN / WAM

HH Sheikh Hazza bin Zayed Al Nahyan, Ruler's Representative in Al Ain Region, has visited Al Ain Police Directorate.

HH Sheikh Hazza reviewed several development programmes and projects, implemented by Abu Dhabi Police General Headquarters, in crime and narcotics prevention, and the integration of artificial intelligence (AI) within the Safe City System, in addition to assessing the level of preparedness for managing security incidents, civil defence operations and emergency response systems.

He was briefed on the strategic projects supporting the Safe City System and their role in enhancing policing efficiency using AI to support field operations,

analyse data and predict criminal patterns, contributing to combating crime and narcotics, reducing accident-related fatalities, and reinforcing coordination with strategic partners.

Sheikh Hazza also reviewed the Security Incident Management System and the coordination mechanisms between relevant entities in responding to various security emergencies, enhancing the speed of decision-making and improving field response efficiency, in line with the highest standards of readiness and professionalism.

He further received a briefing on the efforts of the Abu Dhabi Emergency, Crisis and Disaster Management Centre and its collaboration with strategic partners, as well as the level of readiness,

to deal with adverse weather conditions in the Al Ain Region.

The briefing outlined the proactive plans put in place to further strengthen response times and coordinate roles among relevant entities, contributing to the protection of lives and property, while ensuring the continuity and high efficiency of services.

During the visit, H.H. Sheikh Hazza reviewed the field operations system at civil defence centres, part of Abu Dhabi Civil Defence Authority, as well as their preparedness to respond to reports and emergency incidents, along with efforts undertaken to protect lives and property, enhancing response times and providing an integrated safety and security framework.

He also attended a presentation on the mechanisms of coordination and

integration between civil defence teams and relevant entities, and the role of advanced technologies and smart systems in supporting field operations and enhancing rapid response to incidents and emergencies by the authority's rescue, firefighting and ambulance centres.

Sheikh Hazza bin Zayed Al Nahyan highlighted the importance of pursuing the integration of the latest technologies and AI solutions across various areas of policing and emergency preparedness and response systems. He emphasised that such integration is contributing to enhancing the protection of lives and property, providing the highest standards of safety and security, and advancing the efficiency of security services and preventive measures, in line with the highest standards

and best practices adopted in these fields.

H.H. Sheikh Hazza commended the high level of competence demonstrated by personnel of Al Ain Police Directorate under Abu Dhabi Police General Headquarters, the Abu Dhabi Civil Defence Authority and the Abu Dhabi Emergency, Crisis and Disaster Management Centre, affirming the significance of reinforcing safety, security and preparedness systems, and further developing proactive response capabilities for various emergency conditions.

Accompanying Sheikh Hazza during the visit were Sheikh Mohammed bin Hamdan bin Zayed Al Nahyan; Major General Ahmed Saif bin Zaitoon Al Muhairi, Commander-in-Chief of Abu Dhabi Police; and several senior officers and officials.

# AD Ports Group showcases smart security systems, AI technologies at ISNR 2026

ABU DHABI / WAM

AD Ports Group showcased its latest smart security systems and artificial intelligence-powered technologies during its participation in the International Exhibition for National Security and Resilience (ISNR) 2026, alongside advanced surveillance solutions and unmanned aerial vehicles (drones), as part of its efforts to enhance port security, ensure supply chain sustainability, and improve operational and security readiness.

Mohamed al Hosani, Vice President - Group Health, Safety, Security, Environment, (HSSE), and Business Continuity at AD Ports Group, said in a statement to *Emirates News Agency* (WAM) that the group is keen to participate continuously in ISNR, reflecting its commitment to showcasing best practices in institutional security and strengthening cooperation and integration with government entities and the private sector

“The group is keen to participate continuously in ISNR, reflecting its commitment to showcasing best practices in institutional security and strengthening cooperation and integration with government entities and the private sector within the national security ecosystem”

**Mohamed al Hosani**, Vice President - Group Health, Safety, Security, Environment, (HSSE), and Business Continuity at AD Ports Group

within the national security ecosystem. He explained that the group

continues to develop its security infrastructure through the deployment of advanced technolog-

ical systems and artificial intelligence applications to secure its ports and affiliated facilities. He noted that Nishan Security

Services, a subsidiary of the group, serves as the executive arm for security and protection operations through the implementation of an advanced security system based on the latest smart solutions.

Al Hosani said Nishan Security Services currently uses advanced surveillance systems based on smart cameras and AI-powered security analytics, including the intelligent "Asitana" system.

# House of Wisdom embodies Sharjah's vision for cultural innovation, sustainable knowledge enhancement

SHARJAH / WAM

The House of Wisdom and the Manuscript monument, both launched by the Sharjah Investment and Development Authority (Shurooq) during Sharjah's tenure as UNESCO World Book Capital 2019, represent an integrated cultural vision aimed at transforming knowledge into a sustainable daily experience.

While the Manuscript monument symbolised the global recognition of Sharjah's cultural status, the House of Wisdom translated that achievement into a permanent knowledge and community hub.
