Joint Statement by Ministers of Foreign Affairs of UAE, Qatar, Jordan, Indonesia, Pakistan, Türkiye, KSA, and Egypt

ABU DHABI / WAM

The Foreign Ministers of UAE, Qatar, Jordan, Indonesia, Pakistan, Türkiye, KSA, and Egypt condemn the declared Israeli rejection of the Road Map for completing the implementation of US President Trump's Comprehensive Plan to End the Gaza Conflict, as endorsed by UN Security Council Resolution 2803, and the Israeli rejection of Palestinian statehood.

These positions amount to a direct repudiation of the Comprehensive Plan, jeopardise its implementation, and fundamentally undermine the collective efforts undertaken to achieve a just and lasting peace. Such rejection confirms that Israel now bears responsibility for obstructing the efforts to bring peace in Gaza and the rest of the Occupied Palestinian Territory.

The Road Map, which has been accepted by the Palestinian factions, is the conclusion of extensive efforts exerted by the mediators, namely Egypt, Qatar, Türkiye, the USA, the High Representative of Gaza and the Board of Peace and constitutes a vital milestone for the decommissioning of weapons concurrently with the

withdrawal of Israeli forces, the deployment of the International Stabilization Force, the transfer of the administrative authority to the National Committee for the Administration of Gaza and the reconstruction of Gaza as stipulated in the Comprehensive Plan.

Rejecting the Road Map constitutes an explicit refusal to proceed with the implementation of the Comprehensive Plan and directly threatens to derail the extensive efforts exerted by US President Trump to bring an end to the war in Gaza and establish the conditions for lasting peace.

INDIA-UAE relationship had evolved beyond traditional notions of bilateral partnership

IBPC Dubai marks India at 80 with call for deeper UAE-India ties

The relationship had its roots in the vision of the founding leaders of both nations

DUBAI / WAM

The Indian Business & Professional Council (IBPC Dubai), in conjunction with the Consulate General of India, Dubai, marked India's 80th Independence Day with a celebration of the country's global rise and the deepening strategic partnership between India and the UAE.

Held at the InterContinental Dubai Festival City, the event brought together former Union Minister of State for External Affairs and Culture of India, Meenakshi Lekhi, Consul General of India to Dubai and the Northern Emirates Dr E. Vishnu Vardhan Reddy, senior UAE and Indian business leaders, entrepreneurs and members of the Indian community.

The evening, themed "Two Nations, One Heart", combined technology, business and culture, beginning with a digital lighting of the ceremonial lamp activated through a QR code, a symbolic nod to India's digital transformation and Dubai's position as a global innovation hub.

Opening the event, Siddharth Balachandran, Chairman of IBPC Dubai, said the India-UAE relationship had

The awards will recognise achievements across eight categories, including business, professional and young leadership, women's leadership, sustainability and social impact, convenor excellence and member contributions

She noted India's expanding contribution across medicine, engineering, education, technology and business.

Dr E. Vishnu Vardhan Reddy, Consul General of India to Dubai and the Northern Emirates, said the theme "Two nations, one heart" aptly reflected India-UAE ties, rooted in shared cultural heritage, maritime history, and values of tolerance and peace. He highlighted the countries' growing economic partnership, noting that the UAE is India's third-largest trading partner and India is the UAE's second largest.

evolved beyond traditional notions of bilateral ties to represent a broader spirit of global citizenship.

Balachandran said the relationship had its roots in the vision of the founding leaders of both nations and had since developed into a powerful partnership under the leadership of the UAE and India.

"The baton has been passed to equally good leaders. The spark has become a raging fire

— an aspiration for generational greatness. Long may this bilateral brotherhood continue," he said.

Former Union Minister Meenakshi Lekhi, delivering the keynote address, highlighted the significance of the Indian diaspora in the UAE and India's growing global influence. "Our soft power is what sets us apart. The UAE represents tolerance and resilience; so does India."

Powering UAE's edge: Dubai Customs turns operations into competitive advantage

DUBAI / WAM

The 2025 performance results tracked by the 2026 Competitiveness Report reflect the growing reach of customs work in supporting UAE competitiveness, given the direct link between the efficiency of customs procedures and the pace of trade, the resilience of supply chains, the quality of government services, security, digital transformation, and the appeal of the business environment.

'From Khorfakkan, Opportunities Begin' film launched

The film presents a vision that goes beyond the conventional role of ports as points where cargo arrives and departs

SHARJAH / WAM

The Sharjah Ports, Customs and Free Zones Authority has launched a new film titled 'From Khorfakkan, Opportunities Begin', spotlighting the strategic importance of Khorfakkan Port and the pivotal role it plays within an integrated economic and logistics ecosystem spanning the Emirate of Sharjah and the wider UAE.

Connecting ports with logistics complexes, border crossings, transport networks and trade corridors, this ecosystem enables smoother trade flows, strengthens supply chain resilience and expands access to regional and global markets

on the UAE's east coast. Its location on the Gulf of Oman and direct connectivity to international shipping routes are complemented by advanced operational capabilities and expansion plans aimed at increasing its handling capacity to 5 million containers annually, with a longer-term ambition to reach 10 million.

These capabilities are under-

pinned by deep-water berths and high-efficiency ship-to-shore cranes, reinforcing the port's readiness to accommodate the world's largest container vessels, keep pace with the growth of global trade and further strengthen its presence on international shipping routes.
