Five UAE aid convoys carrying 800 tonnes of humanitarian supplies enter Gaza under Operation Chivalrous Knight 3

ABU DHABI / WAM

Five UAE humanitarian aid convoys entered the Gaza Strip this week, comprising 75 trucks carrying 800 tonnes of humanitarian assistance, as part of Operation Chivalrous Knight 3 and the UAE's continuing humanitarian efforts to support the Palestinian people and meet their basic needs amid the humanitarian conditions in the Strip.

The convoys included shelter materials, food supplies and medical aid, helping meet essential needs and strengthen the humanitarian response inside the Gaza Strip.

The Operation Chivalrous Knight 3 team continues to prepare aid convoys through the UAE humanitarian aid logistics centre in Al Arish under an integrated system that includes receiving, sorting, preparing and dispatching assistance, supporting the continued flow of humanitarian

aid into Gaza and ensuring it reaches those in need.

The convoys form part of the UAE's ongoing humanitarian efforts under Operation Chivalrous Knight 3, through the regular dispatch

of aid convoys aimed at alleviating the suffering of the Palestinian people and supporting their urgent humanitarian needs.

Operation Chivalrous Knight 3 reaffirms the UAE's

continued humanitarian and relief efforts in support of the Palestinian people, reflecting the country's longstanding humanitarian approach and values of solidarity and humanitarian responsibility.

MOCCAЕ announces commencement of first phase of Women Farmer Field Schools programme

DUBAI / WAM

The Ministry of Climate Change and Environment (MOCCAЕ) has launched the first phase of the Women Farmer Field Schools (FFS) programme as part of the "Empowering Women Farmers" initiative.

The initiative was launched under the patronage of HH Sheikha Fatima bint Mubarak, Mother of the Nation, Chairwoman of the General Women's Union, President of the Supreme Council for Motherhood and Childhood, and Supreme Chairwoman of the Family Development Foundation, during the First Emirati Women Farmers Forum held as part of the second Emirates Agriculture Conference and Exhibition in Al Ain last April. The launch coincides with Emirati Women's Day and highlights women's role in supporting sustainable agricultural development, food security and economic opportunities across the agricultural sector.

MOCCAЕ will hold a virtual introductory session on Thursday, 27th August, enabling Emirati women farmers and beekeepers to learn about the programme's objectives, pillars and participation mechanisms.

MOCCAЕ will hold a virtual introductory session on Thursday, 27th August, enabling Emirati women farmers and beekeepers to learn about the programme's objectives, pillars and participation mechanisms

Field-based training across farms and agricultural sites in various emirates will begin in September. The programme also reflects the UAE's designation of 2026 as the "Year of Family", reinforcing women's role in transferring agricultural knowledge, improving household nutrition and promoting sustainable food practices within families and communities.

UAE 2026 archaeological discoveries reveal new chapters in human history

ABU DHABI / WAM

Archaeological discoveries and scientific studies announced across the UAE during 2026 have revealed new chapters in the nation's human history, settlement patterns, and ancient economic life, reshaping the understanding of the region from prehistoric times to the Bronze Age.

The findings stem from ongoing survey, excavation, and research efforts that provide deeper insight into how ancient communities adapted to environmental shifts and maintained regional connections.

The 2026 milestones highlight the UAE's comprehensive strategy of excavation, restoration, digital documentation, and international registration, ensuring the nation's rich historical narrative is preserved and shared globally —WAM

In Sharjah, an international research project uncovered new evidence of repeated early human occupation at the Jebel Al Buhaish rock shelter across widely spaced periods, challenging previous assumptions regarding human settlement in the region. Published in Nature

The UAE recorded nine upgrades into higher competitiveness tiers and improved its ranking within the same tier on seven more indicators, against a modest decline on only two

Communications in March 2026, the study documented human presence dating back 60,000 to 16,000 years, providing a vital record of adaptation to severe climate fluctuations and drought.
